**Trustee services**[français](#)

Trustee services allow us to fulfill our fiduciary responsibilities to unitholders and plan participants. With our heritage as one of Canada's oldest trust companies, clients can be assured that our focus on compliance and risk mitigation is well entrenched. Trustee capabilities extend from Canada to Ireland, Singapore and Hong Kong.

**RBC Investor Services**

RBC Investor Services provides institutional investors with sophisticated technology solutions, innovative products combined with award-winning client service to help you grow your business, expand into new markets and retain a competitive advantage.
