OUR FILE: 

RE: CANADA PENSION PLAN DISABILITY BENEFIT

You were issued Canada Pension Plan Disability benefits in the amount of \$9703.89 in March 2002. This amount included your entitlement from June 2001 up to and including February 2002.

The breakdown of this amount is as follows:

PERIOD	MONTHLY AMOUNT	YEARLY AMOUNT
June - December 2001	\$892.65	\$6248.55
January - February 2002	\$919.43	\$1838.86
TOTAL TAXABLE BENEFIT		\$8087.41

You also received benefits for your under age 18 children in the amounts as follows:

PERIOD	MONTHLY AMOUNT	NUMBER OF CHILDREN	YEARLY AMOUNT
June - December 2001	\$178.42	1	\$1248.94
January - February 2002	\$183.77	1	\$367.54
TOTAL			\$1616.48

The benefits paid for under age 18 children are not taxable.

The amount of \$6302.11 was paid to your Insurance Company on your behalf. The retroactive disability payment payable on your behalf from the Canada Pension Plan is taxable. That means you could owe income tax when you file your next return. If you think you may have tax to pay, you should consider setting aside a portion of the payment to cover any potential tax obligation at the end of the year.
