**Subject:** Ontario Ministry of Consumer Services June 16th Meeting Follow-up

**Minister of Consumer Services John Gerretsen**

**Minister of Labour Charles Sousa**

**Parliamentary Assistant to Minister of Consumer Services Jim Brownell**

Representatives of the Nortel disabled, Sakie Tambakos of Rochon Genova LLP, Diane and I met with the Ontario Ministry of Consumer Services on June 16, 2011 to review the Complaint on Unfair Practices, in the form of false, misleading and deceptive representations by Nortel and Sun Life relating to Nortel's disability insurance. This Complaint was filed on May 30, 2011 by Greg McAvoy, Jackie Bodie, Carol Sampson and Josee Marin. We believe that an Ontario Consumer Protection Act enforcement would have prospects for successful prosecution and provide a remedy for the Nortel disabled. A second meeting with the Ontario Ministry of Consumer Services was planned for this week.

Today is Wednesday June 22, 2011 and we have not heard back from the Ministry of Consumer Services for our next planned meeting which was to take place this week. We are asking the three of you, MPP Charles Sousa, MPP John Gerretsen and MPP Jim Brownell, to please check with the Ministry of Consumer Services and alert all of us when the next meeting is to take place, so the process of a Nortel - Sun Life enforcement action can begin.

Please find attached our notes of the first meeting with the Ontario Ministry of Consumer Services. Here are the people who were in attendance at the meeting with the Ministry of Consumer Services:
